ANNUAL TOWN MEETING WARRANT

State of New Hampshire

To the Inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the fourteenth day of March, 1950, at ten o'clock in the forenoon to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the selectmen, treasurer, cemetery commissioners and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more auditors, one library trustee for the term of three years, one cemetery commissioner for the term of five years, and one cemetery commissioner for the term of four years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To see if the town will vote to contribute funds for the constitution of Class V highways as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the town, as recommended by the finance committee in its budget report, to raise and appropriate all sums so determined for the purposes so determined, and to pass any other vote relating thereto.

Article 6. To see if the town will vote to authorize the selectmen to issue interest bearing notes or orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the town will vote to authorize the

selectmen to distribute the inventory blanks by mail or at the time they examine the taxable property.

Article 8. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deeds.

Article 9. To see if the town will vote to appoint or elect a budget committee to supervise the appropriations of the town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To see what action the town will take on the following question: "Shall the provisions in Chapter 171-A of the Revised Laws relative to playing games of beano be adopted in this town?"

Article 11. To see if the town will vote to accept the boundary lines of the Woodsville Fire District as determined by George Richardson, civil engineer which boundaries are substantially a re-establishment of old boundaries of which all records have been lost.

Article 12. To see if the town will vote for a discount of 4 per cent for the prepayment of real estate and personal property taxes if paid before July 15, 1950, and 2 per cent if paid before September 1, 1950, or any other discounts that the town may vote and determine under this article.

Article 13. To transact any other business proper to come before said meeting.

Given under our hands and seal this 6th day of February, A. D. 1950.

REPORT OF SELECTMEN

To the Citizens and Taxpayers of the Town of Haverhill:

We herewith submit our report for the year ending December 31, 1949. Our detailed statement will be found on the following pages.

The town books were audited by D. R. Newbold and William Slight, Town Auditors, and found them to be in excellent condition.

There has been a sharp rise of cost of old age assistance and town poor in the past year. The anticipated amount required for 1950 has been raised in the present budget.

In keeping with the plan to restore and maintain Municipal Buildings, the Town Hall has received a first coat of paint and a new door has been installed for the Town Garage under the Town Hall. It is hoped that the Town Hall can have another coat of paint in the coming year. Also, that the men's toilet can be completed. It has also been necessary this past year, to make some major repairs to the covered bridge between Haverhill and Newbury in cooperation with the Town of Newbury. This bridge and the Bath Bridge at Woodsville have been recoated with roofing with the Towns of Newbury and Bath cooperating with the cost.

Last year in Town Meeting the town voted in Articles 10 and 11 of the Warrant to clean up and get back on to tax records the leased lots in the Town of Haverhill. Through the cooperation of Judge H. K. Davidson, this has been accomplished so that as far as it is now known all of the leased lots are now in the hands of individual property owners. It is interesting to note that the holders of these leases cooperated to the fullest extent making it unnecessary to rescind any of the leases or to have a public auction on leased lands.

During this past year, in cooperation with the Town of

Bath, the town line between Bath and Haverhill has been surveyed and appropriate iron markers have been placed along this line. It is our desire to survey the Piermont-Haverhill line during the coming year.

The Motor Storage Building of the National Guard of New Hampshire has been erected on the site purchased by the Town of Haverhill. This building was erected with local labor in record time and now serves as the Temporary Armory for the Heavy Mortar Co., 195th Infantry, National Guard of New Hampshire.

REPORT OF THE FOREST FIRE WARDEN

Forest Fires — Our Most Shameful Waste

Everyone apparently fears fire but too many are careless with it. This is particularly true of fires in and near woodlands. Official figures show that more than 98 per cent of all forest fires result from human carelessness and can be prevented. Consequently, we may say "Forest Fires Are Our Most Shameful Waste."

Annual forest fire losses are tremendous and their effects far reaching. Such fires destroy the raw products of the forests, the protection forests provide for game and the supply of ground water. They upset local economies by drawing men from gainful employment and requiring the expenditure of public funds to extinguish them.

Our forest fire organization is doing a good job in keeping the size of fires small but the number of fires is increasing. In 1949 there were 100 more fires in New Hampshire than in 1948, but they burned 500 acres less. For the warden and his deputies to do the job they are capable of, they must have the cooperation of the public—YOU!

The primary objective of all fire fighters is **PREVENTION**—fire stoppage. This is the goal toward which your local forest fire warden and his deputies are constantly working. It can be achieved **ONLY** if **YOU** and **YOU** and **YOU** cooperate with them. It is worth **YOUR** effort and can be accomplished by:

1. Being careful with fire in or near woodland, being particularly careful with matches and cigarettes.
2. Securing the required written permit from the warden when the ground is not covered with snow.
3. Insisting that others be careful and comply with burning requirements.

4. Calling the warden promptly when fire is detected and aiding him to extinguish it.
Let's reduce the number of forest fires and eliminate our most shameful waste.

AUDITORS' REPORT

We, the undersigned, Auditors of the Town of Haverhill, certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Trustees of Trust Funds and the Cemetery Commissioners, and find them correctly cast and properly vouched.

We also certify that in the presence of the Selectmen and the Town Treasurer we destroyed by burning Refunding Bonds No. 15 and 16 and Bridge Bonds No. 55 and 56 of \$1,000 each and all matured coupons.

There is on deposit in the Woodsville National Bank \$1,020 to retire Bridge Bond No. 57 and interest when it is presented.

The interior of the building was painted a light tint during the past summer. Also the card catalog case was placed upon a truck, which makes it readily movable to any convenient spot, and gives additional wall space for shelves to

accommodate a large number of books.

The librarian, Mrs. Nina T. Mitchell, reports the book circulation for the year at seventeen thousand seven hundred and thirteen (17,713) volumes. Mrs. Mitchell attended the New England Library Association sessions at Swampscott last fall, and keeps in touch with the State Library activities.

Retrenchment of the adult service of the State Library has necessitated purchasing more fiction from our own budget. The State bookmobile continues service with junior books.

An exhibit of art by grade school pupils, Miss Barbara Cole instructor, created much interest during the two weeks before Christmas.

A story hour, attended by some twenty children, was maintained during the holiday week, Miss Natalie Graham assisting in the work.

Numerous magazines are available for circulation the same as books, and persons interested in periodicals are invited to make use of these.

The annual meeting of the Trustees takes place in September, on a convenient evening, after library hours. At that meeting the terms of trustees are arranged, the services of the library are reviewed, details in the care of the building are considered, and any suggestions from patrons are appreciatively received.

ANNUAL REPORT OF HAVERHILL CORNER FIRE DEPARTMENT

To All Concerned:

1. **EQUIPMENT:** Consists of the following in addition to truck with pumper:

1500 feet 2½" hose

750 feet 1½" hose

150 feet booster line

4 1½" fog nozzles

2 2½" fog nozzles

Extension and roof ladders

300 gal. chemically treated water

Boots, coats, and helmets for men

2. **MEMBERSHIP:** Twenty-nine active members at close of fiscal year. A membership average of fifteen have attended two drills per month, each drill being of two-hour duration. Fire drills with truck numbered fifteen, and Chief William Keyes gave nine illustrated oral drills. A delegation of eight firemen attended the Littleton Fire School for two days, attending classes for six hours each day. Chief Keyes, in addition to the Littleton Fire School, attended the State Fire School at Concord, New Hampshire, for two days.

3. **FIRE CALLS ATTENDED:** During the past year the Fire Department attended nine chimney fires and one building fire.

4. **REIMBURSEMENTS:** The Department earned \$75 from chimney fires attended outside the Haverhill Corner Precinct. It also earned \$180 for pumping water for 7¼ hours at East Ryegate Paper Mill.

The Haverhill Corner Fire Department is a volunteer department made up from this community for the benefit and protection of each and every one of us. Your continued support and cooperation is urgently requested.

WOODSVILLE FIRE DISTRICT

WARRANT FOR ANNUAL MEETING FOR 1950

To the Inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton and State of New Hampshire, qualified to vote in said District affairs:

You are hereby notified to meet at the Community House on High Street in the said District, Thursday, March 16th, 1950, at thirty minutes past seven o'clock in the evening to act on the following matters:

1. To choose a Moderator.
2. To choose a Clerk.
3. To choose a Treasurer.
4. To choose an Auditor.
5. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.
6. To choose one District Commissioner for the term of three years.
7. To choose one Water and Light Commissioner for the term of three years.
8. To choose one member of the Community House Committee for the term of two years.
9. To raise and appropriate such sums of money as may be necessary to meet the expenses of the District, including the Fire Department, for the coming year.
10. To see what action the District will take with reference to instructing the Water and Light Commissioners to turn over to the Community House Committee a certain amount of money to meet the expenses thereof.
11. To raise and appropriate such sums of money as

may be necessary to maintain the Community Field for the coming year.

12. To see if the District will vote to accept the boundary lines of said Woodsville Fire District as determined by George Richardson, Civil Engineer, which boundaries are substantially a re-establishment of old boundaries of which all records have been lost.

13. To see what action the District will take relative to the abandonment of the Woodsville dump.

14. To see what action the District will take relative to the elimination of the present sidewalk and the purchase of sufficient adjoining property for the purpose of the establishment of a new sidewalk on Central Street between junction at South Court Street and junction at Pleasant Street.

15. To transact any other business proper to come before said meeting.

Given under our hands and seal this fourth day of February in the year of our Lord one thousand nine hundred and fifty.

AUDITOR'S REPORT

February 6, 1950

I hereby certify that I have examined the books of the Commissioners of the Water and Light Department, of the Treasurer and of the Commissioners of the Woodsville Fire District, and the Treasurer of the Woodsville Community House, and also of the Treasurer of the Woodsville Community Field, and find the same correctly totaled and properly balanced.

I further certify that on January 29, 1950, in the presence of the Treasurer and one of the Fire District Commissioners I have burned the following paid obligations of the Woodsville Fire District.

Water Bonds of 1929 issue Numbers 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, and all outstanding coupons; this being the final payment on this issue. I have also burned the Community House Bonds Number 15 and 16 and all outstanding coupons to bonds of this issue to date. Each water bond and the Community House bonds burned were of One Thousand Dollar (\$1000) denomination.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the Union High School District of Woodsville qualified to vote in District affairs:

You are hereby notified to meet at the Community Building in said District on the 17th day of March, 1950, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and Agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the State equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

9. To choose a Library Trustee for the ensuing year.
10. To see if the District will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for the support of the Woodsville Free Public Library.
11. To see if the District will vote to raise the sum of One Hundred Dollars (\$100.00) for the support of a Dental Clinic.
12. To see if the District will vote to authorize the application of any unanticipated income to be applied to unanticipated expenses.
13. To transact any other business that may legally come before said meeting.

Given under our hands at said Woodsville this 31st day of January, 1950.

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I herewith submit my sixth annual report of Woodsville High School for the year ending January 31, 1950.

Enrollment

The enrollment for the school year 1948-49 included 130 pupils.

Distributed according to classes they were as follows:

Seniors	30
Juniors	27
Sophomores	39
Freshmen	34

Graduates

Diplomas were awarded to the following graduates in June, 1949:

Beverly Bedor	Paul Magoon
Phyllis Belyea	Stanley Monfette
Ira Clark	Frank O'Malley
Ralph Currier	Beverly Palmer
Margaret Douglas	Richard Paradie
Francis Drown	Richard Rowe
Vivian Gallagher	Louise Roy
Rita Grenier	Rita Roy
Guy Haynes	George Sargent
Janet Hazlett	Marjorie Smith
Roger Heath	Barbara Stimson
Virginia Hutchins	Dorothy Strobridge
Marion Lamarre	Joyce Tyler
George MacDonald	Eudora Wetherbee
John MacDonald	Carol Whitcomb

Scholarships

The following scholarships were awarded:

First Honor: Louise Roy

Second Honor: George MacDonald

Third Honor: Carol Whitcomb

Fourth Honor: Roger Heath

The Alumni Attainment Award was given to Roger Heath; the Perley N. Klark Award for excellence in music went to Paul Magoon and Roger Heath; the Bausch & Lomb Science Award was given to George MacDonald; the Sgt. James M. Jackson Award for excellence in U. S. History went to George MacDonald; the Alumni Scholarship was awarded to Stanley Monfette; the Becker Junior College Key for excellence in the commercial subjects went to Louise Roy; the Cogswell Scholarship, awarded by the University of New Hampshire to the incoming Freshman was given to Carol Whitcomb. The Scholarship amounted to \$150.00.

Athletic Activities

The athletic activity program consisted of the following sports: Physical education for both the girls and the boys, touch football, outdoor and indoor basketball, soccer, softball, baseball, and track. This was the second year that an organized track team performed, and again it took part in the Y.M.C.A. meet at Littleton. Although the track team did not win any honors, valuable experience was gained which should prove its worth in the coming years.

The boys basketball team won only six out of 22 contests, due to the loss of many veterans of the previous year, and due to injuries sustained by team members. The girls' team captured second place in the Ammonoosuc League.

Curriculum

In September, 1949, Mr. Robert Perry replaced Mrs. Frances Johnson, teaching Social Sciences and Freshman English. He also replaced Mr. Anatole Pendo as coach of boys' basketball.

One new course was added to the curriculum-Art. Miss Barbara Cole, the kindergarten teacher was the art instructor. All Woodsville High students, who had particular abilities or interests in art were allowed to take the course, and it proved very interesting as well as helpful when posters and other advertising material was needed.

The Cycle, the quarterly school publication, was issued under the guidance of Mrs. Katherine Hatch and Mr. Timothy Connor. As always it proved to be popular with the student body. The yearbook "The Engineer" was published by the Seniors under the direction of Mr. Connor. Much thanks is herein expressed to the advertisers, without whose contributions the publishing of the yearbook would not be possible.

Respectfully submitted,

A. G. PENDO, Headmaster

Teaching Staff

The department of instruction was fortunate in having but one change in the High School Faculty, and none on the Elementary staff. The change at the High School was caused by the resignation in June of Mrs. Frances Johnson, who left to accept a position in Riverdale, New York.

The vacancy was filled by the employment of Mr. Robert Perry of West Lebanon, New Hampshire, a Plymouth Teachers College graduate, Class of 1949.

A course in Art was added to the secondary curriculum, and taught by Miss Barbara Cole, who also supervises Art in the elementary school and teaches kindergarten. Miss

Cole comes from Kennebunk, Maine. She holds a B.A. degree from the University of New Hampshire, Class of 1946, and has done post-graduate work at Vesper George School of Art as well as at Columbia University Teachers College.

Buildings and Grounds

The usual minor repairs, including interior decorating, was done during the summer under the direction of Francis Rock at the High School and Charles George at the Grade building.

The personal comfort and working efficiency of the pupils in the third grade room was greatly improved by decorating various walls with a shade of paint scientifically tested by a spectrophotometer for proper light reflection.

A green chalk board has been set-up as a further means of eliminating eye strain. This board has been favorably received by the teachers. When resurfacing of chalk boards becomes necessary, this type of surface is recommended.

Fluorescent lights were installed in the seventh grade room. There are two rooms remaining where such installation has not been made.

General Information

The loss of Lottie M. B. Underhill, R.N., who was taken from our school system by death last March, was keenly felt by the administration. Only expressions of praise are written in the files of Superintendents Page, Janes, Martin, Douglass, and myself, all of whom she served during the years of her active service in this Union.

Miss Helen D. Latulippe, a graduate of Mary Hitchcock School of Nursing, and of Simmons College School of Public Nursing was obtained to fill the position left vacant. Miss Latulippe is a resident of Plymouth, New Hampshire. The efficient manner in which she has taken over the work of School Nurse is commendable. The Union is fortunate in

securing one with such qualifications and experience.

The loss of State Aid, in the several school districts of this Union, has made it necessary for the districts to curtail any immediate plans for a cooperative secondary school, as such plans depend somewhat upon both building aid and transportation aid from either the state or federal level, or both. Specifically, in Woodsville, the State Aid dropped from \$10,070.37 in 1948-1949 to zero in 1949-1950.

Conclusion

My personal appreciation of the sincere interest of the members of the School Board in promoting the general welfare of the pupils; of the professional integrity and loyalty of the teachers; of the efforts of the building custodians beyond line of duty; and of the assistance and cooperation of the citizens is hereby gratefully acknowledged.

Respectfully submitted,

PHIL A. BENNETT, Superintendent of Schools
Woodsville, N. H., February 10, 1950

A TRIBUTE

During a period of nearly forty years the Annual Reports of Haverhill School District were largely the work of Mr. Emile Blank of Pike whose death occurred on October 26, 1949. It seems most fitting, therefore, that a tribute to his memory should be incorporated in this Report, and that his long career as a public servant should be recognized as an example to future generations, to which they may aspire, but which few will ever attain.

He was born in Munich, Germany, on August 22, 1867, where he received his education and spent his early manhood. He lived for a time, in Paris, London and New York, before coming to Pike as an employee of the Pike Manufacturing Company. He immediately began taking an active interest in the religious, civic and fraternal life of the community, and soon became a highly respected citizen of the town.

His love for children found expression in the Sunday School, as well as in the Public School, and in both, he was always ready to promote any move toward their comfort, convenience and enjoyment. As a public servant, he was always exemplary in the discharge of his duties; his book-keeping was neat and unfailingly accurate, his time was given unsparingly. As an individual, his character was above reproach; his honesty and integrity never questioned. As a neighbor and friend, he was kind and considerate; helpful in time of trouble, enthusiastic in time of rejoicing, always absolutely dependable.

The Town has lost a citizen of sterling qualities.

Mr. Emile Blank

SCHOOL WARRANT

State of New Hampshire

To the Inhabitants of the School District in the Town of Haverhill qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 14th day of March, 1950, at 1:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the term of one year.
4. To choose a Member of the School Board for the ensuing three years.
5. To choose a Treasurer for the ensuing year.
6. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the District.
7. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto in relation to any subject embraced in this warrant.
8. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
9. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue

and the appropriation, which balance is to be raised by taxes by the town.

10. To see if the district will vote to raise and appropriate the sum of \$1,850.00 as a deficiency appropriation to be made available immediately for the 1949-1950 school year.

11. To see if the district will vote to raise and appropriate the sum of \$100.00 for the support of a Dental Clinic.

12. To see if the district will vote to raise and appropriate the sum of \$350.00 for the purchase of playground equipment.

13. To see if the district will vote to authorize the application of any unanticipated income to be applied to unanticipated expenses.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Haverhill this 30th day of January, 1950.

REPORT OF THE SCHOOL BOARD HAVERHILL, N. H.

We, the undersigned, members of the Haverhill School Board, beg to submit the following report:

For a time, following the death of Mr. Blank there were only two members on the School Board, as it was thought advisable not to appoint a new member for only a short time, however, on further consideration, Mr. William Eichhorn of Pike was appointed to join the Board for the remainder of the year. Mr. Blank had always kept the school books and the remaining members not being too familiar with the records, it was thought best to have the school Treasurer Mr. Daniel Carr take over the books. This places the book work in one location, which saves time, expense and delay.

The usual minor repairs have been made at the several schools during the year, however one of the boilers at Haverhill Academy will have to be replaced in the near future.

We desire to call the attention of the taxpayers and voters of the District to the reports of Superintendent Phil A. Bennett and Headmaster of Haverhill Academy, Friend H. Jenkins.

The transportation facilities have been greatly improved by George White having a new bus from North Haverhill, and Fred White having a new bus from Pike.

The Board was very fortunate to secure Mr. Svend Lange to fill the vacancy as janitor at the Pike School.

Regarding the Budget covering the fiscal year beginning July 1, 1950, the same has been carefully prepared and we submit for your consideration the amount of \$70 077 23. Compared with \$67 203 00 for the current year this shows an increase of \$2 874 23. This increase is chiefly made up of increases on transportation, elementary and secondary tuitions.

The retiring member of the Board is Herbert R. Swan of Haverhill, N. H.

Respectfully submitted,

HERBERT R. SWAN

Teachers and Pupils

It is unusual for a District employing sixteen teachers to have as little change in its staff as was experienced in the Haverhill School District at the beginning of the 1949-1950 school year. Only one change was made. Mr. James O'Connor left to accept a position in Salem, New Hampshire, and was replaced by Mr. Richard Dart of Peterboro, New Hampshire. Mr. Dart is a graduate of the University of New Hampshire, Class of 1949.

The paying of equitable salaries and the development of more satisfactory working conditions are greatly responsible for this minimum of faculty turnover.

The pupils in grades seven and eight at the Center Haverhill school were assigned by the Board to the North Haverhill school. This plan is working most satisfactorily. It relieved Mrs. Morrill of a teaching load which had become impractical, as an insufficient amount of time was being given to the primary units. This change gave the upper grade pupils the added advantages of having greater class

competition, both in academic work and in sports, as well as having a full day of the teacher's time devoted to their classes.

Mrs. Morrill is doing a commendable teaching job at the Center school, but it is an evident conclusion that one teacher who has to spread his or her efforts over 25 to 35 classes per day cannot possibly give the amount of educational inspiration to the pupils, as can a teacher having two grades with ten to twelve classes per day. The North Haverhill school, with its four-teacher staff, is an ideal set-up. It has a well-lighted and ventilated building with excellent sanitary facilities. It has a large, level playground, ideally located. The district is fortunate in having such a physical plant. The addition of the bicycle shed and rack, attained through the efforts of Mr. Sanford Goss and other interested citizens, is greatly appreciated by the administration as well as by the pupils.

At Pike, the overcrowded condition was relieved by the Piermont pupils being assigned by the Piermont Board to its village school.

At Haverhill Academy, the enrollment increased from 76 in 1948-1949 to 85 for the 1949-1950 fall term. With thirteen in Grade XII and thirty in Grade VIII in the district, it is predictable that the total will reach 100 in 1950-1951.

Buildings and Grounds

Grading of the yard at Pike was made possible by the dumping of "fill" at much needed spots by accommodating truckmen.

Minor repairs were made at all schools as usual. Inside painting was done at the Center Haverhill school, three rooms at North Haverhill, two at Pike, two at the Academy, and one at the Corner.

Twenty separate-unit type desks and seats were purchased for the Academy to accommodate the increased enrollment.

General Information

Your attention is directed to the reports of Mr. Swan, Chairman of the School Board, and of Headmaster Jenkins for other administrative details.

The loss of Lottie M. B. Underhill, R.N., who was taken from our school system by death last March, was keenly felt by the administration. Only expressions of praise are written in the files of Superintendents Page, Janes, Martin, Douglass, and myself, all of whom she served during the years of her active service in this Union.

Miss Helen D. Latulippe, a graduate of Mary Hitchcock School of Nursing, and of Simmons College School of Public Nursing, was obtained to fill the position left vacant. Miss Latulippe is a resident of Plymouth, New Hampshire. The efficient manner in which she has taken over the work of School Nurse is commendable. The Union is fortunate in securing one with such qualifications and experience.

The loss of State Aid, in the several school districts of this Union, has made it necessary for the districts to curtail any immediate plans for a cooperative secondary school, as such plans depend somewhat upon both building aid and transportation aid from either the state or federal level, or both. Specifically, in the Haverhill School District, the State Aid dropped from \$14,233.30 in 1948-1949 to zero in 1949-1950.

Conclusion

May I here record humble words of sincere tribute to our late citizen and co-worker in education, Mr. Emile Blank, who served the district long and well as an efficient, respected and loyal school board member.

I wish to express my appreciation to the School Board for the continued interest and support of its individual members, to Headmaster Jenkins and his faculty for the cooperation received at the Academy, to the elementary principals and teachers for their efficient efforts and continued coopera-

tion, and to the citizens for their loyal support.

Respectfully submitted,

PHIL A. BENNETT,

Superintendent of Schools

Haverhill, New Hampshire, February 2, 1950

HEADMASTER'S REPORT

To the Superintendent of Schools:

I submit herein my twenty-sixth annual report of Haverhill Academy and High School.

The total enrollment for the school year 1949-1950 to date is eighty-seven or an increase of eleven over last year's enrollment. There are sixteen tuition pupils. Six come from Benton, nine from Piermont and one from Ryegate, Vermont. The distribution by classes and by boys and girls in each class is as follows:

	Boys	Girls	Totals
Seniors	8	5	13
Juniors	9	11	20
Sophomores	11	11	22
Freshmen	13	16	29
	—	—	—
	40	47	87

A survey of the records of the past quarter century beginning with the school year 1924-25 and ending with the school year 1948-49 reveals the following:

Total number of pupils entered	757
Total number of graduates	410
Average number in the entering classes	30.28
Average number in the graduating classes	16.40
Average enrollment	90.04
Largest entering class (1933)	47
Smallest entering class (1946)	18
Largest graduating class (1937)	29
Smallest graduating class (1925)	7

From the above figures one can observe that approxi-

mately 46 per cent of those who entered did not graduate from this school and from the records of those who left but transferred to another school, it can be estimated that about 43 per cent of those who entered did not graduate from any high school. This appears to be a startling fact; however, the approximately 57 per cent who did graduate is about 8 per cent higher than for the country as a whole.

Diplomas were awarded to the following graduates in June: Madelyn Fadden, Paul Mayette, James Robinson, George Swan, Robert Thompson, Harold Wheeler, Donald White, and Veronica Wright.

Scholarship honors were won by Donald White, Harold Wheeler, Paul Mayette, and Robert Thompson in the order named. The Scholarship, Loyalty, and Achievement was won by Harold Wheeler.

The usual program of extra-curricula activities has been carried on. The athletic teams have enjoyed an unusually successful year.

The program of studies has been changed to no great extent in the past three or four years. Half unit courses in such subjects as business law and business arithmetic are offered from time to time as the need arises to provide for pupils who need the units to meet the requirements for a diploma and to increase the number of elective courses for all. There is, of course, a limit to the number of courses that can be offered, and to say that one is more important than another for all pupils is to disregard the individual differences in the interests and abilities of pupils. The testing program which has been carried on during the past three years both in the grade schools and high school has made it possible to make a much better adaptation of the program of studies. This compensates in a measure for the lack of a more varied one.

The practice of the Trustees during the past three or four years of making available each year a portion of the income from the trust funds has made it possible for the

school to have certain modern teaching devices some of which would be found only in large city schools or in wealthy and select private schools. There has been purchased from these appropriations a movie projector and screen, a combined recorder and radio, two new sets of encyclopedias, a bioscope, and an electro-dynamic demonstration unit. In addition to the above purchases, there has been appropriated for this year, one hundred dollars for film rentals and a sum sufficient to install a chemistry hood in the laboratory. All of this has added much to the effectiveness of the program.

It is a source of no small pleasure to me personally to be able to report at the end of twenty-six years of service that each successive year has been one of increasing mutual respect and cooperation on the part of pupils, parents, citizens, and all officially connected with our school.

In closing this report, I wish to make it a matter of record that I, herein, pay my respects to the memory of Mr. Blank who was to me personally a wise counselor and understanding friend.

Respectfully submitted,

FRIEND H. JENKINS, Headmaster
